Article 1: To discuss Town Clerk Vacancy

The Town Manager expressed concern of the high turnover rate in the Town Office Clerk positions. She expressed that clerks are not leaving due to being dissatisfied with the work environment but due to receiving better benefits or opportunities elsewhere. She suggested raising the starting pay scale. The board agreed to raise the pay scale for applicants with full training and also suggested offering the same \$500 sign on bonus as was decided for the deputy clerk position. They agreed that if we were to hire someone with little to no experience we would discuss the starting pay at that time. This was a discussion therefor no motion was necessary.

Meeting adjourned at 6:16pm
