

St. Agatha Board of Selectmen Meeting

September 18, 2018 @ 2:00pm

At the St Agatha Town Office

MINUTES

Article 1: To consider Main St boat landing retaining wall project quotes

Quotes provided by:

Ed Pelletier and Sons for \$12,495.00

Ground Tek INC for \$9050.00

Babin Construction INC for \$5370.00

Motion by Beurmond Banville to accept the quote from Ground Tek INC for \$9050 so long as he signs the quote as his final price and agrees to finish the project by the end of this year.

Second by Dan Bechard

All in favor

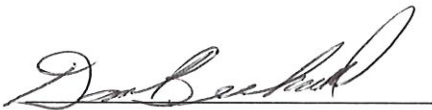

Article 2: To consider grinder station upgrade project

The board discussed the possibility of having a couple of the new grinder stations in the proposed project put in place by new property owners as a trial before investing in the complete project. Jason Bouchard will be required to place one of the new grinders in his pump station. Also, Beurmond Banville made the motion that all property owners on the Island wishing to extend the sewer at their expense could do so but would also be obligated to place one of the new model grinders in their pump stations.

Second by Dan Bechard

All in favor
